

Dr. Sandro Staroske

Diplom-Physiker
European Patent Attorney

Phone: +49 (0)30 881 8181

Telefax: +49 (0)30 882 5823

Email: staroske(at)maikowski-ninnemann.com

Technical Focus: Mechanical engineering Physics

Curriculum Vitae:

- studies in physics at the TU Berlin and at the University of Ulster, North Ireland, thesis at the Universite de Nice-Sophia Antipolis (France) in the field of integrated optics (diploma at the TU Berlin, 1995)
- academic researcher at the Institute for Physical Chemistry of the university of Karlsruhe (1995-2000), doctoral degree with a thesis in the field of spectroscopy of metal-salt-melts at the university of Karlsruhe (2000)
- academic researcher at the Fraunhofer Institute for Communications Engineering - Heinrich-Hertz-Institute - in Berlin in the field of photonic components for high-speed data transmission (2000 - 2005)
- patent engineer at Maikowski & Ninnemann (since 2005)
- European Patent Attorney (since 2008)

Activities:

- German, European and international patent applications (in particular mechanical engineering, automotive engineering, optics, semiconductor technology, communications technology, telecommunications)
- preparation of license and cooperation agreements
- representation in opposition and appeal procedures before the European Patent Office

Languages:

- German
- English
- French
